Ms. Moran:

Please find attached a redlined draft of the Corrected Deed Notice [and Restrictions] for the Arkwood Site reflecting the comments of McKesson Corporation. Our comments are designed to insure preservation of the existing remedy, including the engineering controls, and ultimately, human health and the environment, all consistent with the terms of the Corrected Consent Decree and the Record of Decision.

We would be happy to discuss any or all of these comments with USEPA and/or ADEQ at your convenience.

Regards, John
